Action for Social Development (ASD)	In-charge-CDC (Night Shift)	Graduate, will be relaxed for experienced person	Sunday, 22 September, 2024
Action for Social Development (ASD)			
Action for Social Development (ASD) is inviting application from committed & progressive development worker for the position of In-charge-CDC (Night Shift) for The Right to Education and Social Protection of deprived children at High risk in Bangladesh (RESH) Project, funded by Bread for the World (BftW), Germany. Candidates having work experience in similar type of position and willing to work anywhere in Dhaka City is requested to apply. Child Development Centre (CDC) is a centre for 40 street children (girls) where night shelter facilities are included is located in Adabar area. Street children do not have place to sleep at night. Children especially girls are very unsafe on the street. They become victim of physical, sexual abuse. CDC provides them safe night shelter, basic entitlements like 3 times food, basic education, vocational training, life skill training, counseling, treatment, referral health, legal and psychosocial support etc. Girls stay there like their family. Projects reintegrate them with family or socially after prepare them for mainstream life so that they would not come back to the street again. Keeping the importance of safety and security of girl street children, CDC is planned with new measures to ensure protection and change their entire life positively. The job of Night In-charge is to perform night duties in the children's center, take sessions, look after them, make them study and above all ensure safety. preserving a family unit with children.

Business: Action for Social Development (ASD) is a non-government, non-profit and non-partisan development organization duly registered with Department of Social Service and NGO Affairs Bureau, Government of Bangladesh. ASD was established in 1988 by a group of NGO professionals and social workers with the objective to address the basic problems of the slum dwellers of Dhaka City to ensure their positive and due role in the socio-economic development of the country. Gradually ASD extended its development interventions in other cities and remote rural areas with broader objectives.
